

HOUSE OF COMMONS

LONDON SW1A 0AA

Tuesday 24 June 2025

Dear Young Carers Development Trust,

The vital work you do is transforming futures by nurturing the potential of young carers across the South West and beyond.

Through nurture, inspiration and achievement, you are able to reflect the lives of the young carers you support.

By creating important opportunities through mentoring and building a supportive community for young people with significant caring responsibilities, you are truly making a difference to young people who deserve all the help we can give them.

Having had the pleasure of hearing from a number of the young carers you have worked with, I know what a big and positive difference you make in their lives. I am pleased to support you this Small Charity Week and beyond, as a voice for carers, including young carers, in parliament and in politics.

Thank you for the powerful and important work you continue to do for the community of young carers.

Best wishes,
